Fish Lake Merger Oil Company

5c Share 5c

UNITED STATES PERMIT TO PROSPECT 2560 ACRES

Two sections of this ground (34 & 35) are especially mentioned as favorable for oil by Mr. C. A. Fisher, formerly with the U. S Geological Survey.

Five geologists of national reputation have passed favorably on the Fish Lake district. An oil seepage of considerable extent has already been encountered at shallow depth. According to the geologists, oil in paying quantities should be found between 1000 and 1500 feet.

Company is capitalized at \$250,000.00, divided into 1,500,000 shares of a par value of 10c a share.

Officers of the company are: C. W. Taylor, president: George A. Foster, vice-president; E. N. Richardson, secre-

tary and treasurer. Messrs. Taylor and Foster are now in California to close a deal for a Standard drilling rig and drilling operations will be started at once.

Call at office and let us show you geologists' reports.
